GLICO GROUP Ltd, a leading indigenous company in Ghana's insurance and financial services sector, has once again demonstrated leadership in insurance in the Ashanti region. GLICO GROUP picked up three awards at the recently held 13th Ashanti Financial Excellence Awards held under the auspices of the Manyhia Palace.

The three awards were conferred on GLICO Life Insurance Company (GLICO LIFE) and GLICO General Insurance Company (GLICO GENERAL), both subsidiaries of GLICO GROUP.

A statement from the organizers, Top Brass Ghana said, "GLICO LIFE and GENERAL were awarded for their strong brand position on the Ghanaian market, especially for their contribution to the development of Ashanti region.

GLICO LIFE specifically received a Gold Award for best life insurance company that provides protection-based funeral insurance and GLICO GENERAL received two Silver Awards for providing fire and travel insurance to the people of Ashanti region.

Receiving the award on behalf of the GROUP, Nana Efua Rockson, Group Head, Corporate Affairs and Marketing for GLICO GROUP said, "*we are thrilled to receive this recognition as it underpins our fervent commitment to provide our customers with value-based products that makes their lives easier and secured.*"

"Being named amongst so many notable companies and worthy peers in the financial industry in Ghana, is a great honor and we dedicate these awards to all our customers," she remarked.

The Ashanti Financial Services Excellence Awards scheme continues to recognize and celebrate creativity and innovation of companies pushing the bounds of creative excellence in the financial sector. The 13th edition was another prestigious awards ceremony held by Top Brass Ghana Ltd to award and recognize the business contribution of financial companies operating in the Ashanti region.

It is worthy to note that GLICO GROUP is made up of six subsidiaries namely: GLICO LIFE, GLICO CAPITAL, GLICO HEALTHCARE, GLICO PROPERTIES, GLICO GENERAL and GLICO PENSIONS with over twenty one branches nationwide.
